April Cause of the Month: Arcadia/Glencoe Volunteer Fire Department

(Excerpt below was taken from the City of Arcadia Website)

Membership on the all-volunteer fire department is currently limited to 30. These volunteers are sent to school and are trained and ready so when replacements are needed, they are ready. Members come from all walks in the community – City Council members, Street Department employees, Ashley employees, Pilgrim employees. They understand what volunteerism is all about. They get it. They just love to come here and give their time and work for the community to give back. Local businesses understand that also. There is never a problem getting enough guys to come to a call. The department's operations are overseen by an eight-member Fire Board. Its membership consists of three representatives from the City of Arcadia, three from the Town of Arcadia and two from the Town of Glencoe. They meet four to five times a year to discuss department needs and operations. Budget contributions are based on equalized assessed value. The department augments what it gets from the three municipalities through fundraising. The department's big event of the year is the annual chicken barbe cue and brat fry held on Palm Sunday. The department also holds a spring dance and raffle.
