

CONGREGATIONAL MEETING

President Pat Rohn is calling a Congregational meeting for **SUNDAY, MAY 7TH (AFTER WORSHIP)**. Order of Business is to vote on a candidate for a new pastor.

A Message Your Church Office Administrator:

Greetings! There are some changes in my home that are happening, and with these changes, my hours here at the church will be affected. For the month of May, I will be able to keep everyone notified on the church calendar when the church office will be closed or will be closing early. As for the summer months that are coming up, I am not 100% certain what will be happening, but I can assure you that I will try to keep everyone informed of the church office hours once I find out what is happening on my end. I can inform you that I will be off on Fridays for the summer months. Starting May 26th and ending Friday, September 1st. If you have any questions, please don't hesitate to ask.

April Cause of the Month: Arcadia - Glencoe Volunteer Fire Department

(Excerpt below was taken from the City of Arcadia Website)

Membership on the all-volunteer fire department is currently limited to 30. There currently isn't room or PPE (Personal Protection Equipment) for more members and there is currently a waiting list to get on the department. These volunteers are sent to school and are trained and ready so when replacements are needed, they are ready.

Members come from all walks in the community - City Council members, Street Department employees, Ashley employees, Pilgrim employees. They understand what volunteerism is all about. They get it. They just love to come here and give their time and work for the community to give back. Local businesses understand that also. There is never a problem getting enough guys to come to a call.

The department's operations are overseen by an eight-member Fire Board. Its membership consists of three representatives from the City of Arcadia, three from the Town of Arcadia and two from the Town of Glencoe. They meet four to five times a year to discuss department needs and operations. Budget contributions are based on equalized assessed value. The department augments what it gets from the three municipalities through fundraising. The department's big event of the year is the annual chicken barbecue and brat fry held on Palm Sunday. The department also holds a spring dance and raffle.
